THE PASTOR'S CORNER

Good morning, Church,

I remember your genuine faith, for you share the faith that first filled your grandmother Lois and your mother, Eunice. And I know that same faith continues strong in you. ~ I Timothy 1:5

There are many examples in the scripture of how godly women influenced the lives of those around them. As we read about Timothy, we don't find mention of the influence of his father, only that of his mother and grandmother. We know that Timothy's father was a Greek, most likely an unbeliever. Here we have a picture that is unfortunately all too common today. A mother who is living her faith with a husband who is an unbeliever or someone who is not walking the walk.

As a pastor, I have spent over 40 years serving God and sacrificially serving others in the ministry. I would like to think that my efforts have made an impact in some way. However, when you compare the impact of a pastor and a mother on the life of an individual it is indisputable that the mother will almost always have a far greater influence on the life of an individual than a minister does.

Paul recognized that the faith and Christian character that was evident in the life of Timothy was related to the influence of his godly mother and grandmother.

On this day, that we refer to as Mother's Day, let's thank God for the influence of the many godly women that He has placed in our lives.

Peace and Blessings, Pastor Clyde
